

Wetland Coffee Break Attendance Certification

Beginning November 1st, 2024, the Wisconsin Wetlands Association is excited to offer attendance certification to people who attend live virtual Wetland Coffee Break presentations. We are offering this certification in response to requests from members of the Wetland Coffee Break community who have continuing education requirements and would like to use their attendance at Wetland Coffee Break presentations to meet these professional development or certification requirements.

[Your gift of any amount will begin your membership.](#) In addition to free Wetland Coffee Break attendance certification, members receive our quarterly print newsletter and discounts on registration fees for the Wetland Science Conference.
- [Non-members can receive attendance certification for a fee of \\$5 per certification.](#)
- Unsure if you're a member? We'd be happy to check for you! Email Emily Buck at emily.buck@wisconsinwetlands.org to confirm your WWA membership status.
